Fitour is creator and organizer of experiences in relation with French taste and culture. Make your clients enjoy some privileged and authentic moments while experiencing the various facets of our French way of life.

## Cultural heritage and sceneries

Discover the best of our regions! Your private guide will escort you around the best scenic villages and cities. Travel differently while taking your time to enjoy the various locations, atmospheres, landscapes. Enjoy an encounter with the past and local cultures...

Why not experience the art of "travel diary" with one of our expert and keep a patchwork of your adventures?

## Gastronomy

According to seasons, discover the French traditional gastronomy visiting some of district's street markets to taste local products, participating to a cooking session or enjoying the French food in a friendly atmosphere...

Why not participate to the preparation of the dinner table with one of our expert, while using traditional French table setting and decoration?

## Oenology

Go on a discovery trip of the local sceneries and villages, ending your excursion with a visit to a wine maker. Understand the choice of a variety of vine, the specific soils, orientations and sunshine exposition...

Participate in vineyard work. Taste and create your own assembling. What wine are you?

## French « Rendez-vous »

Initiate to the art of perfume, create your own perfume while being assisted by one of our expert...

Be escorted by a fashion lady specialist who will introduce you to the French rules of elegance.

Practice French hobbies enjoying a ride in an antique car, some local sport or playing bocce ball for example.
